

# IPS-302-AV-12-P-S4

Category: continuous 4pin connector Inductive Sensor

|                      |                         |
|----------------------|-------------------------|
| IPS-302-AV-12-P-S4   | Product Code            |
| M12X1Ni PLATED Brass | housing                 |
| 3                    | number of wires         |
| 0-10V                | output type             |
| 2 mm                 | switching distance      |
| -20~+60 °C           | temperature range       |
| 100 Hz               | max operating frequency |
| IP66                 | influence protection    |
| 4Pin SOCKET          | output                  |
| TRANSISTOR           | output stage            |
| ANALOG               | output function         |
| 15-30 VDC            | voltage range           |
| 50 mA                | max output current      |
| flush(shielded)      | mounting                |

Address: No.36 , Karimkhan Ave , Darvazeh Tehran ,Tabriz-Iran
