

# IPS-302-CN-18-HP

Category: pre cabled high pressure inductive sensors

|                        |                               |
|------------------------|-------------------------------|
| IPS-302-CN-18-HP       | Product Code                  |
| M18Stainless steel 304 | housing                       |
| 3                      | number of wires               |
| 2 mm                   | switching distance            |
| -20~+60 °C             | temperature range             |
| IP67                   | influence protection          |
| CABLE3X0.25-1.5m       | output                        |
| NPN TRANSISTOR         | output stage                  |
| NC                     | output function               |
| 10-30VDC               | voltage range                 |
| 250 mA                 | max output current            |
| 1500 Hz                | max output frequency          |
| 0                      | indicator led                 |
| 2 V                    | max drop voltage              |
| 15 mA                  | max noload or leakage current |
| 200 bar                | pressure rate                 |
| flush(shielded)        | mounting                      |
| yes                    | revers voltage protection     |
| 0                      | short circuit protection      |
| yes                    | pick voltage protection       |

Address: No.36 , Karimkhan Ave , Darvazeh Tehran ,Tabriz-Iran
