

# IPS-202-Nm-12

Category: Pre cabled namur sensors

|                      |                       |
|----------------------|-----------------------|
| IPS-202-Nm-12        | Product Code          |
| M12X1Ni PLATED Brass | housing               |
| 2                    | number of wires       |
| 2 mm                 | switching distance    |
| -20~+60 °C           | temperature range     |
| IP67                 | influence protection  |
| CABLE2X0.25-1.5m     | output                |
| NAMUR                | output function       |
| 8.2VDC               | voltage range         |
| 1500 Hz              | max output ferequence |
| 0                    | indicator led         |
| flush(shielded)      | mounting              |
