

# IPS-202-NM-18-HP

Category: pre cabled high pressure inductive sensors

IPS-202-NM-18-HP	Product Code
M18Stainless steel 304	housing
2	number of wires
NAMUR	output type
2 mm	switching distance
-20~+60 °C	temperature range
IP67	influence protection
CABLE3X0.25-1.5m	output
NAMUR	output stage
NAMUR	output function
8.2VDC	voltage range
1500 Hz	max output frequency
0	indicator led
200 bar	pressure rate
flush(shielded)	mounting
0	short circuit protection
