

# IPS-220-OA-R40-T

Category: 2wire AC 4pin connector inductive sensor

|                         |                               |
|-------------------------|-------------------------------|
| IPS-220-OA-R40-T        | Product Code                  |
| REC. 40X40X113 PA or PP | housing                       |
| 2                       | number of wires               |
| 20 mm                   | switching distance            |
| -20~+60 °C              | temperature range             |
| IP 66                   | influence protection          |
| TERMINAL                | output                        |
| THYRISTOR               | output stage                  |
| NO                      | output function               |
| 90-250VAC               | voltage range                 |
| 250 mA                  | max output current            |
| 20 Hz                   | max output frequency          |
| ✓                       | indicator led                 |
| 10 V                    | max drop voltage              |
| 3 mA                    | max noload or leakage current |
| 3 bar                   | pressure rate                 |
| non flush (unshielded)  | mounting                      |
| 0                       | revers voltage protection     |
| 0                       | short circuit protection      |
| yes                     | pick voltage protection       |

Address: No.36 , Karimkhan Ave , Darvazeh Tehran ,Tabriz-Iran
